

Flower Songs Privacy Policy

2.1 All our customers are V.I.P s to us. We respect your enjoyment of our site and invite you to visit as many times as you wish. You are under no obligation to place an order or buy anything.

2.2 Your personal details, such as name, address, email and details and your selections or orders will not be given to any other party for any purpose whatsoever. They are only required for the purpose of fulfilling your requirements. We are not going to interrupt your enjoyment of life with newsletters and promotional emails unless you wish it. There is an OPT IN box (rather than an OPT OUT box) under “Trending”.

2.3 This website may contain links to other websites with recommended products or ideas that are “Trending” or are listed under “Tutorials” where credit for the inspiration is given. We do not control the Privacy settings on those links, so please be sure to check their Privacy Policy when you arrive there as they quite often differ from our policy.

2.4 If you send us a testimonial, let us know if you are happy for us to publish it on our site. While we would prefer your name to go with that, you may not, so let us know if you would like a pseudonym if we publish.

2.5 Wedding arrangements are treated in the strictest confidence and your information including order details, venue, time, date and other such detail will not be identified with our promotional photographs at any time, unless you wish it and have waived the confidence of your arrangements in writing to us. Even with written permission, we may choose not to connect you to our work in promotional material.
